

NATIONAL THANKSGIVING PRAYER AND FASTING GUIDE

THEME: REVIVAL AND NATIONAL TRANSFORMATION
15TH JANUARY TO 13TH APRIL 2024

NATIONAL PRAYER ALTAR

Revelation 22:1-2 KJV

And He shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. [2] In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.

Dear Friends,

Happy New Year. Receive Kingdom greetings.

We thank God for the great milestones that we achieved last year. One of the most notable was the termination of the cycles of drought that our Nation had gone through over the past four years. My heart is overjoyed because of the rains we are currently experiencing. This is a great miracle, the work of God our Father, who answered our prayers when we gathered at Nyayo National Stadium on 14th February 2023 and cried out to Him to bless us with rain.

While abiding in the presence of God, we felt a leading to take a journey of ninety days (90) of prayer and fasting for the revival and transformation of our Nation. The fasting begins on the 15th of January to the 13th of April 2024.

We are all aware of the great prophetic words that have been spoken over Kenya, that our Nation Kenya, is going to be the spring board of revival for the Nations. Revival releases supernatural power that changes the spiritual atmosphere, it opens the hearts and minds of people and catalyses transformation of Nations. Our study of Nations that have experienced great moves of God like the United States of America, Great Britain and South Korea show that there was a positive impact on the culture, economy, families and the land.

We believe that our Nation is on the edge of a great move of God that will have a holistic impact on churches, the economy, families and the land. But there is a price to pay.

We must plough the spiritual realm stirred up with a burden to see our Nation enter her destiny.

Fasting creates deep hunger for God, breaks the power of the flesh and enables us to yield to the Holy Spirit.

Everyone is invited to participate in this fast according to the grace that God has given you. The fast will run in the following ways;

The first forty days will have different categories;

1. Forty days of fasting on liquids.
2. Forty days of fasting two meals a day.
3. Forty days of cycles of fasting. This means you choose particular days you will be fasting each week.

We encourage those eating one meal a day and those doing cycles of fasting to abstain from meat.

The rest of the fifty days will be on one meal a day.

We invite you to join in the fast and to participate according to the grace God has given you.

God bless you as you seek Him.

Prayers for The Presidency

Psalms 72:1-2; 2 Thessalonians 1:11, Matthew 6:33; Hebrews 4:16; Deuteronomy 28:7.

- Give thanksgiving for the president, for his life, his destiny, and his assignment in the Lord at this time, in the name of Jesus.
- Thank God for his family. (Mama Rachel Ruto and the children)
- Pray that the Lord will keep him in divine health. Ask the Lord to sustain him in this season by the power of His might in the name of Jesus.
- Entreat the Lord to release His mercy and grace over the president's life and over his God-given divine assignment today as we begin a new year in the name of Jesus.
- We thank you for our president, H.E. William S. Ruto. May you fill him with the spirit of God until righteousness and justice flow from him, guiding him in every leadership decision and action he takes in 2024.
- May he dispense righteousness as he rules this nation, and may he dispense justice for the afflicted in the land in the name of Jesus.
- Give thanks to the Deputy President, H.E. Rigathi Gachagua.
- Commit the Deputy President and his family to the Lord, and pray for the hand of the Lord to rest upon him to guide and lead him in the execution of his duties in 2024 in the name of Jesus.
- Pray that 2024 will be a year of good success for the presidency (President and Deputy President).

DAY 2: 16TH JANUARY - REPENTANCE FOR THE SINS OF THE BODY OF CHRIST IN KENYA

2 Chronicles 7:14; Proverbs 28:13; 1 John 1:8–9; Acts 3:18–19; 2 Peter 3:9; Matthew 9:13; Revelation 3:19; Luke 17:3; Luke 15:10; Luke 15:7

Lord, we know Your heart is burdened for us as a nation in this hour. We remind ourselves of Your great and powerful vision for Your church in Kenya:

- That we would attain the unity of the faith, the knowledge of the Son of God, and the fullness of the stature of Jesus Christ (Eph. 4:13).
- We would be presented to you as a pure and spotless bride (5:27).
- That we would declare your wonders to the next generation (Psalm 78:4).

Repentance

- We repent of our failure to love one another. We turned against one another in petty criticism, theological division, and the evils of jealousy, and as a result, we sound like an endless gong or a clanging symbol (1 Cor. 13:1) to a generation that desperately needs to hear the pure word of heaven.
- We repent of our secret sins and hidden faults.
- We have failed to be the light for our generation, and we ourselves are full of the same sins and failures as our people. For this, have mercy on us, God.
- Lord, our voice has lacked the authority that only comes from purity and holiness, honest transparency, and sincere love. God, have mercy.

- We repent for politicising our faith. We have been guilty of shouting more loudly our allegiance to political parties and personalities than our allegiance to Christ and His gospel, and as a result, we have set up hindrances to the gospel for our generation (1 Cor. 9:12). God, have mercy.
- We repent for reducing the prophetic to mere happy encouragement. We have diluted Your prophetic grace in the Church, and as a result, we have not manifested the true testimony of Jesus to our generation (Rev. 19:10). God, have mercy.
- Father, forgive us for our many iniquities as the body of Christ in Kenya, in the name of Jesus.

Prayers for The Presidency

Psalms 72:3–4; Exodus 18:21; Phil 2:3; Matt 20:26; Prov 20:28; Prov 11:14

- Help the president and Deputy President to stand firm, knowing that you will fight their battles for them. May our leaders begin every day with You and Your Word, with gratitude and praise for the honour You have given them.
- May the Presidency be marked by increase and prosperity in the nation, with justice for the poor, the needy, and the oppressed in the land.
- May this Presidency be used by God to break the spirits of oppressors, corruption, and wickedness in the land in the name of Jesus.
- Lord, surround our President and Deputy President with godly counsellors; let them be accountable to them and the people they serve, but first and foremost to You.

DAY 3: 17TH JANUARY - REPENTANCE FOR THE SINS OF LEADERS IN THE NATION

Romans 2:4; Isaiah 55:6-7; Acts 2:38; Matthew 4:17; Mark 1:15; Ezekiel 18:21–23; Luke 24:45–67; and I Chronicles 21:1–12.

- Forgive us and our leaders of this nation for all our sins of idolatry, for worshipping demons and false gods, for making pacts and covenants with them to receive their power and blessings to rule, and for making vows on their own behalf and on behalf of our people to serve these false gods forever.
- We renounce all such covenants that have been made between the devil and our leaders.
- Forgive us and our leaders for the sins of using witchcraft to receive demonic blessings and to control and destroy the lives of others.
- Forgive our leaders past and present for making covenants with the ungodly spirits of the tribes of Kenya, for consulting witchdoctors, and for participating in evil rituals to draw demonic power to the blind and rule over Kenyans in the name of Jesus.
- Forgive our leaders, Lord, for the sin of misusing your name; the name of the Most High God, the Maker of heaven and earth, for using Your name as a swear word, for not fearing your name, for treating your name and your presence with contempt ; for disregarding Your commandments and laws, for not believing in your word, and for presuming on your grace to always forgive.
- Forgive our leaders for abusing their administrative powers and authority to withhold the financial aid due to the poor and needy, the widow and the orphan, and to steal from them what rightfully belongs to them;
- Abba Father, as we pray in tongues, we ask that You will cause Your Holy Spirit to intercede for us so that all hidden sins in the leadership of this land can be forgiven.

Governmental Prayers for Our Leaders

I Timothy 2:1-2; Psalms 22:28; Proverbs 28:2; Ephesians 6:12

- Father, in the Name of Jesus, we lift up to You our President, Deputy President, Governors, Senators, MPs, Women's Representatives, etc.
- We hold our leaders up to You, Lord, that You take hold of the course of their lives and that you equip them with everything necessary to fulfil the call, the mission, and the assignment that You have on them.
- We pray, Lord, for the wisdom of God, not the wisdom of men, to come upon our leaders in the name of Jesus. May they recognise, embrace, and receive your wisdom in the name of Jesus.
- We pray that their hearts will yield easily to You and that they will recognise You in all the counsellors that You send to them.

- Repent, whereas Kenyans have been not paying our workers and employees what is rightfully due to them, thus bringing many families into poverty and financial desolation.
- Repent for stealing from God what belongs to God, not giving to God the tithes and offerings due to Him, and not obeying Him in our financial stewardship.

- Repent for us being selfish and self-centred, ignoring the cries of the poor and needy that God sent to us; stealing from our government by withholding our taxes; stealing from our government by our corrupt practices; stealing from our companies and employers through lies, false accounting, kickbacks, and other illegal arrangements; etc.
- Forgive us for our sins of lack of repentance as a people, for not being willing to acknowledge and confess our sins to you, for resisting Your Holy Spirit when He convicts us of the wrong that we have done, for persevering in our sinful ways and grieving Your Spirit, etc.

- Forgive us for not honouring our father and mother, for not submitting to their godly counsel and advice, for rebelling against them as we grew up under their care, for not showing gratitude to them for all their hard work and sacrifice in bringing us up in this world, for judging and condemning them for their weaknesses, failures, and shortcomings, for neglecting them in their time of need, for cursing them and abusing them with our words and deeds, for not spending time with them to encourage and bless them, etc.

- Ask for forgiveness where the education system in Kenya has not trained or equipped Kenyans to serve God but to serve Mammon and Babylon, etc.

- Bring repentance where, in the marketplace and in business, people have not carried out their activities in the fear of the Lord, and God and His ways have not been honoured in the world of business.
- Bring repentance for the greed and injustice that have caused many Kenyans to be oppressed, their wages withheld or stolen from them, etc.
- Repent where the economic system of Kenya is full of greed, corruption, witchcraft, evil practices, lies, conmen, robbery, etc.
- Lord, we pray for skills, wisdom, understanding, and the financial resources required to build up and strengthen our economy, even for coming generations, in the name of Jesus.
- Help us to make good use of all our human resources, to develop the land with crops and livestock, and to plan wisely in industry and commerce.
- Show us the dangers we face in our current practices and help us learn from our mistakes.
- Father, we declare that Your Word will be active in the lives of our business leaders and in the economic development of our nation.

- Father, we declare that our business leaders are blessed, and we expect favour to surround them like a shield. We confess that as our leaders commit their works to You, their plans will be established.
- We declare that they will honour You with their possessions and with the first fruits of all their increase, so that their barns will be filled and their vats will overflow with new wine.
- Lord, we confess that as our business leaders walk uprightly, no good thing will be withheld from them. Father, we expect You to look favourably upon the economic development of our nation and bless our land to be fruitful.
- Lord, expose the darkness and deceit in our cities and county governments, including all hidden agendas and subversive activities, corruption, collusion, bribery, extortion, embezzlement, racketeering, financial mismanagement, and fiscal waste.
- May we not destroy our country, destroy its natural wealth and beauty, pollute its environment, or lose sight of you, for the sake of Jesus Christ, our Lord.
- Lord, we commit the economic climate in our nation in 2024 to You as we cry out and intercede for divine intervention in Jesus' name.

Prayers over the Kenyan Currency

- Pray for God's mercy to bring divine intervention where the Kenyan shilling has been losing value.
- Ask for mercy where it is our own poor governance and mismanagement that has led to a weak shilling.

- Pray that God will rescue us from global manipulation of our currency and give our leaders wisdom in navigating currency wars (Proverbs 29:2).
- Pray God will confound the wisdom of unrighteous leaders globally and locally seeking to destabilise the economy of Kenya (1 Corinthians 1:27).
- Pray that the ungodly and wicked will not prosper in their efforts to undermine our economic systems (Isaiah 54:17).
- Pray that the enemy cannot prematurely change the times and laws concerning one-world currency, a one-world government, and the mark of the beast (Daniel 7:25).
- Pray for the exposure of corruption; pray that justice and righteousness will be at the foundation of a nation's economic strength (Psalm 89:14; Proverbs 16:11–13).
- Pray that God will guide our leaders and financial decision-makers to do His will and show them the way to follow (Proverbs 3:5–6).
- Pray for supernatural wealth and riches to be released to the righteous so that we may fund God's projects and kingdom agenda even in times of famine and economic crisis (Proverbs 13:22).
- Finally, ask the Lord to fulfil the prophecy given that the Kenyan shilling would become one of the strongest on the continent of Africa (Jeremiah 32:27).

DAY 12: 26TH JANUARY - PRAYER FOR THE HEALTHCARE SYSTEM OF KENYA

- Give thanks for the blood of Jesus, which covers us and protects us from all harm, including sickness and disease.
- Forgive us as Kenyans for not making healthy lifestyle choices and abusing our bodies, which are the temple of God; help us to embrace a healthy lifestyle as a nation in the name of Jesus.
- We commit the Kenyan health care system to you, both public and private. Come and redeem the medical industry from every sin and iniquity in it in the name of Jesus.
- We repent for the abuses, greed, and injustice within the medical insurance industry in Kenya today. We repent for every Kenyan who was denied quality medical care because they could not afford it, in the name of Jesus.
- We thank You for every health care professional and declare that they will seek Your wisdom and knowledge; let them be dedicated to the proper care and treatment of their patients, and they will remember to show their patients mercy, just as You have shown mercy to them.
- We commit to the government as they put in place all that is needed for affordable health care for all Kenyans.
- Father, forgive us where the medical industry is a gold mine for hospitals, medical practitioners, and pharmaceutical companies, so that profit is the undergirding principle, not care for citizens. Lord, we cry out for Your intervention and guidance in this matter in Jesus' Name.

- We repent of medical scams in the land and in government institutions in the name of Jesus.
- Once again, we thank you for the health professionals in our nation. We thank you for doctors, nurses, researchers, scientists, hospital administrators, therapists, pharmacists, medical assistants, medical technicians, etc.
- By Your wisdom, You have strategically equipped and anointed men and women with expertise in medicine, science, nutrition, pharmacy, surgery, rehabilitation, and counselling.
- Father, by faith, we decree that just as the Hebrew midwives, Shiphrah and Puah, feared and obeyed You, the health professionals in our nation will not succumb to the pressure to compromise, but they will remain committed to their oath to “do no harm.”
- As they believe in the promises of Your Word and as they ask You, You will tell them remarkable secrets about things to come in their profession. They will be pioneers in discovering cures and medical breakthroughs for our generation.
- By faith, we decree that they will seek your wisdom and knowledge and always pursue excellence in their chosen fields. They will be dedicated to the proper care and treatment of their patients, and they will remember to show their patients mercy, just as you have shown mercy to them.
- For those health professionals who do not know Jesus as their Lord and Saviour, we confess that they will receive the good news of the gospel, confess with their mouths that Jesus is Lord, and believe in their hearts that You raised Him from the dead, so that they will be saved.
- Lord, this is prayer. Let Your supernatural power transform the medical industry in Kenya until it is renown for its breakthrough and practices in the name of Jesus.

- Father, as we continue repenting for the sins of this land, come and heal our land, bless our soil, and let it be fruitful and productive where it had become dry and barren.
- We thank You for the rains that have been plentiful. We ask the Lord if there is any just cause for the heavens to withhold the rains in 2024 and that You will forgive us in the name of Jesus.

DAY 16: 30TH JANUARY- DECREES AGAINST CORRUPTION & THE EVIL AGENDAS AGAINST NATIONAL DEVELOPMENT & PROGRESS

Psalms 24; Isaiah 41:15; Ezekiel 6:3; Zechariah 4:7;

- Lord, we declare over this land that Kenya belongs to God; the people of Kenya belong to God; the wealth of Kenya belongs to the Lord; the government of Kenya belongs to the Lord; our families belong to You; the mountains, the hills, the plains, the waters of Kenya—it all belongs to You, Lord.
- We decree that in 2024, the wind of the Lord from heaven shall blow over this land, bringing revival, transformation, and awakening in the name of Jesus.
- We declare the spiritual leaders of our nation will receive uncommon revelation and understanding that will be for this time of revival and national transformation in the name of Jesus.
- The Anointing of the Sons of Issachar is coming upon the church and the spiritual leaders for this season in the name of Jesus.
- Lord, make us like a new threshing sledge with sharp teeth to thresh the wickedness from the mountains, to bring wickedness in the high places low, and to make the hills resisting you in Kenya become like chaff.
- Lord, let Your sword utterly destroy the high places of Baal, Leviathan, and the ancient gods of the land as we pray in the name of Jesus. Let every mountain now hear the voice of the Lord and be removed.
- We reverse and push back evil spells cast over this nation by servants of Satan, in Jesus name.
- Father, we call for your holy guardian angel (and his hosts) over this nation to arise and defeat the evil prince of darkness destroying your godly heritage in this nation, in Jesus name.

- No mountain shall stop the move of God in our nation this year; they shall become like a plain before us with shouts of grace! Grace!
- Listen, people of Kenya, “For you shall go out with joy and be led out with peace; the mountains and the hills shall break forth into singing before you, and all the trees of the field shall clap their hands.” Isaiah 55:12
- We declare that every sector of our economy shall grow and develop in 2024, in the name of Jesus.
- Lord, we pray for the leaders of the nation. Help them make wise and wholesome decisions that will move the economic, social, religious, and political life of this nation forward, in Jesus name.
- Lord, whether they believe it or not, for the sake of the elect, let your invisible hand rule in the affairs of this nation among the leaders of the nation such that they will end up ruling in the fear of the Lord, serving your eternal and predetermined purpose for the nation, in Jesus name.
- As we pray, we lay at the root of corruption in Kenya, an axe, and we cut off and dismantle the evil of corruption and its power over our nation, over our counties, and over people in the name of Jesus.
- We cut off the systems and structures of corruption in our Government and in our institutions in the name of Jesus. We cut off its purposes so that it will not bring forth fruit again in Jesus’ name.
- We pray that righteousness will reign through our justice system and government. And that God would either change hearts or remove those who would not rule and agree with His righteousness.
- We pray that You will remove those who take bribes and have selfish agendas rather than God’s agenda, those who are serving themselves and not our nation. Have mercy upon our nation and remove those who would cause our nation to go in the wrong direction in 2024 by corruption in Jesus’ name.

- Lord, we come before you where we, the people of the land, and our leaders have been guilty of sin and iniquity that has corrupted our land, our environment, and our natural resources.
- We confess that we have not protected our environment from the waste products of our activities; the waters have become polluted, the air quality has been affected, and the quality of life has been affected. Forgive us, Lord.
- Lord, forgive us where we have mismanaged the abundance of wildlife that You gave us as a nation.
- Lord, we have depleted and devastated many of our resources instead of working to conserve and live in balance within Your created order.
- Father, we ask for forgiveness and mercy where the relevant government bodies have not protected our environment or taken steps to ensure that Kenyans are protected from any negative impact.
- We pray that You will bring forth a generation of Kenyans that are divinely ordained to heal our environment and come forth with witty inventions and strategies to protect the environment, reduce pollution, provide safe drinking water, encourage sustainable use of natural resources, and ensure proper care of wildlife and their natural habitats in the name of Jesus.
- Lord, we ask that you replenish the fish in our waters in the name of Jesus.
- Lord, help us to plant more trees in 2024, in the name of Jesus.

- Lord, we ask for mercy where such projects have started to line the pockets of greedy and corrupt men.
- We pray that we and our leaders will have renewed and changed mindsets concerning mega projects in the land meant for development that stalled or failed, and that we will not believe the lies of appeasing or glorifying those in power.
- We pray that the church in Kenya will be a voice for truth and justice in society concerning this matter in the name of Jesus.
- God, we pray that You will raise up political leaders in every county to stand against corruption in these projects.
- We pray for the Holy Spirit to convict those who have been accepting bribes or misusing money so that they will turn away from this sin and experience forgiveness, like Zacchaeus did.
- Lord, we thank You for the political goodwill in the current government to revive stalled projects. We speak to the dead bones of Konza City, the Lappset project, and the failed dam project of Rift Valley. We speak to these projects being revived and restored to completion in the name of Jesus. Ezekiel 37.
- Lord, we declare that what is impossible with man is possible with you.

- Arise in your mercy today and let all the stalled government projects past and present that will aid in national growth and development be revived; let them be revisited again; let the work begin again; and let the wicked that caused these projects to stall be silenced forever in the name of Jesus.
- Oh Lord, before this government finishes its term, let there be a supernatural completion of all the stalled and uncompleted projects necessary for our national development in Jesus' name.
- Oh Lord, grant us and the government the grace and unction to complete these projects stress-free in Jesus Name.

Strengthen the hands of these intercessors with patient endurance and with Aarons and Hurs to come alongside them.
- Return and restore intercessors taken from their place on the wall because they became discouraged or distracted.
- Pour the oil of Your spirit over these wounded soldiers, take them up, and carry them, having already paid for their restoration to wholeness and health and to their gifting and calling, which are irrevocable.

- Lord, thank you for giving our president, H.E. William Ruto, dominion and strategy in Christ Jesus to trample over every demonic assignment against him in the name of Jesus.
- We give thanks that You have removed every curse, stronghold, and attack that was meant for him. Luke 10:19.
- We pray that every demonic spirit that steps near him must return to the pit of hell. In the name of Jesus, we rebuke every strategy of the enemy in his family and within his life. We rejoice because you protect him, Lord.
- We thank you that he can find safety under your wings in the name of Jesus.
- Father, help him to be mentally and spiritually strong to win spiritual battles. We thank you that he is sober-minded, and by Your mercy, he can hear the Father's voice clearly.

- Lord, strengthen him to put on the full armour of God so that when the day of evil comes, he may be able to stand my ground no matter what. Because of you, he will remain at peace when he puts on his spiritual armour.
- We declare a sober mind over his life. He will stop worrying and focus on the faithfulness of God in his life and upon the leadership assignment You have given him over this land.
- We declare he will set his mind on the high things of Christ. Your ways are fair, God, and we trust you with his life, body, and soul in the name of Jesus.
- Lord, guard his mind from the fiery darts of the enemy and the lies that the devil would try to get him to believe about himself and God.
- Thank you, God, for giving our president peace so he can focus on you despite the immense warfare around him. “And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.” Philippians 4:7
- Lord, we pray that you will invade the heart of the Deputy President with a fresh love of the people of this land and grant him the grace to always remember the masses when decisions are about to be made in the name of Jesus.
- Father, grant him the grace to always make the right policies that will elevate this land and her people.
- Lord, there are so many decisions that he has to make daily. These decisions, Father God, make or break our nation.
- Lord, may Your mercy, grace, and comfort come afresh upon our Deputy President as we move forward in the name of Jesus.

Romans 13:11; Ephesians 5:14; Isaiah 52:1; Isaiah 51:9; Isaiah 56:10;

- Pray for apostles and prophets appointed for such a time as this in Kenya to awaken.
- Declare that there is a spiritual awakening coming to the land of Kenya; declare that this awakening is the sign of God's favour and a tremendous opportunity for the Church to ride on a new wave of the Spirit to bring the nation back to God and to her destiny.
- By decree, there will be an acceleration of apostolic and prophetic operations in 2024 because the appointed time is here.
- Decree that we will not miss the Kairos moment and the grace it brings for revival and national transformation in 2024.
- Declare that the apostolic and prophetic movement in Kenya will grow in strength and stature, carrying with it the spiritual power to prevail and the grace to govern the will of God for our nation.
- Pray that they will bridge the gap within Kenyan culture in terms of religion, race, and social and economic status.
- Pray that they will restrain and shut down the demonic powers and their activities in Kenya.
- As they move forward, the spirit of contention and conflict against this nation is going to be cut off in the name of Jesus.
- Through this movement, the disappointments of the past generation will be prevented from impacting the present generation.
- The Holy Spirit will baptise us with fire so that we can see the reconnecting of the generations and the restoration of the voice and authority of the church in Kenya in this season, in Jesus' name.
- Pray that this spiritual awakening will put the church in the driver's seat so that she can lead the nation towards national transformation.
- The church will arise in 2024 to take cities and counties, changing the environment and atmosphere in Jesus' name.

DAY 37: 20TH FEBRUARY - PROPHETIC DECREES OVER THE LEADERS OF KENYA

Proverbs 10:9; Proverbs 29:4; Proverbs 16:12; Luke 6:31; Luke 22:26; Eccl 7:1; Romans 12:21; Philippians 2:3-4

- We decree that godly leaders shall arise in the nation of Kenya.
- We prophesy that those in high offices of government and places of influence shall carry a righteous standard.
- We declare that Christ-like believers shall be positioned and established. We speak that they shall be well received, respected, and their offices honoured by society and culture.
- We declare that notable influencers in society shall carry a moral and biblical standard.
- We say the leaders in our cities, schools, and universities shall stand for that which is right and reject every antichrist agenda.
- We say that godly leaders, government officials, and influencers shall carry righteous discernment and surround themselves with wise and moral counsel.
- We break the power and influence of the godless and wicked rulers, activists, judges, journalists, professors, teachers, and businesses that seek to turn the minds of the culture towards evil.
- We say that the authority and thrones of the wicked shall crumble and fall. May they be removed from their places of influence and lose their ability to beguile, abuse, and mislead the citizens of this nation.
- We prophesy that across this land, in all sectors of society, godly leaders and people of influence shall arise and be exalted, and our nation shall rejoice!

Pray for Peace of The Land

Ps. 46:1-11; Prov. 30:14; Ps. 68:1-3; Isaiah 33:1; Rev. 16:5-6;

- Thank God for preserving us to see the New Year. Pray that He will be the refuge of Kenya and that He will deliver the country from all its troubles.
- Pray that God will deliver Kenyans from a generation of leaders whose every decision and action inflicts sorrow and suffering upon the people. May God arise and execute judgement upon them.
- Pray that God will arise and scatter all the enemies of truth, righteousness, and justice in Kenya. Whether they are in the church or in government, let God arise against all enemies of righteousness in Kenya.
- A major problem in Kenya is the treachery of its leaders. From political leaders to civil servants, the judiciary, and senior security officers, Kenya is consistently weakened and compromised by treacherous public office holders. Pray that every traitor shall be judged by God according to their treacheries. Pray that, by the spirit of judgement and the spirit of burning, God will raise people to execute judgement on these traitors.
- Demand divine punishment upon all who conspire to shed the blood of the saints in Kenya. Whether they are within Kenya or in foreign countries, pray that God will give them the opportunity to drink of their own evil cup and cause their blood to be shed violently.
- Pray that God will raise faithful leaders in the land. Pray that the rod of the wicked shall no longer rest upon Kenya; that as the mountains surround Jerusalem, the Lord shall surround Kenya. Amen.

- We decree that Kenya was founded by God, and as we appeal to heaven, the Lord will give us revival and nation-wide transformation.
- Kenya is one nation under God, a Christian nation. We have put our trust in Him and no one else. We have no king but Jesus.
- We declare the counsel and the programme of God prevail in this land; let them speak into the atmosphere of Kenya.
- We declare the Jubilee of the Lord over Kenya in Christ Jesus in 2024.
- We decree that Yahweh is our lawgiver, our judge, and our king, and that our three branches of government will now align with this decree in the name of Jesus.

- We decree that He who began a good work in us will complete it and that God had a plan for our nation's restoration from the foundation of the world.

- We decree that nothing can stop this turnaround because our trust is in God.
- We decree that God's redeeming power is greater than Satan's deceiving lies and that the Lord's truth will prevail in this nation in Jesus' name.
- We decree that Satan is under our feet and that we are seated with Christ, far above all principalities, powers, and rulers of darkness!
- We decree that we are Christ's Ekklesia or Government on earth and that we have His keys of authority to bind and loose, open and close.
- We decree that no weapon formed against this nation, or against the purposes of God in our generation, will prosper.
- We decree that Kenya shall be saved in Jesus name, and for the glory of God, amen.
